

When the Queen Awakens, Time is Up!

October 11, 2008

Thank you, thank you, just breathe!.....

Father, we are here in your name.....

THE QUEEN HAS AWAKENED!

I love you guys.... It's just a joke!

When the queen awakens, time is up. I love you so fucking much!

It's just a roll you are playing. There is nothing to fear. It's just a roll, a story we are telling ourselves. Remember? I love you! It is a good story. It has a happy ending. Good work. It is real. She is the whole thing. I love you my friend. I am right here.

Thank you for picking Ignacio up.

Listen to what she has to say. She knows what she is talking about. I love you. Good work. Just breathe, Michael. Every one; just breath.

What did you think was going to happen when the light showed up?

Your dream is over, and I am just here. Look at me, here I am. It's all you, it's all you! Just breathe, Michael, just breathe, come on, you are taking this whole thing out. Just breathe! Just breathe, everyone is depending on you. Just breathe... I want to show you something.

Remember this; you wanted a shared vision...You asked for it. Now listen; vision and responsibility are the same thing. I love you.

It's ok. We are all here with you. Look, we are all here with you. Look at these guys, they are all beautiful.

Everyone just breathe. I am right here. I forgive you. Michael, I forgive you.

Everyone just breathe.

Daryl, hey Daryl? You are here too.

Here we go, just breathe. It's ok. We came back for you! It is not a big deal. It's fun, it's why we are here. We came to pick you up.

Say to me: I am not of this world.

Say to me: This world is a piece of shit!

The Old Man is here.

You are swimming in your own excrement, and that is ok. But no more! It is time to go home.

Thank you Father. You barely have time to say *thank you!*

Here we are, here we are Father.

Good work.

You are here. You are not going anywhere. I've got you! I've got you.

Emilio: Thank you

We are leaving together Michael, do you see?

Everyone is here with you. All of your loved ones!

I can bear it for you. I love you, I love you, I love you. I love you so much. Everyone is here.

Father, Father, Father... here we are.

Everyone is present.

You've got that. That is in you.

I love you, I love you just the way you are!

Father, we are here in Your name.

One voice: Only You, Father, Only You.

It is time to go home. There is nothing to fear.

I am not a body, I am free. I am not a body.

We are leaving together. There is only one of us. There is only one of us physically. Thank God!

I am right here Michael. There is nothing to be sorry about.

I am already here with you.

Michael: You do good work. I love you, thank you.

I am right here, right here.

There is nothing to be afraid of.

What is happening is natural. It is an event. It is occurring in consciousness and it is happening to you. There is nothing to fear.

Now is the time. I am not afraid, I trust. I trust in the process.

Father, here we are, father, here we are!

Father we are here in Your name.

Listen, Michael, this is you. Just listen. You play piano, don't you? listen.....

Father, here we are.

Thanks guys, thanks for playing your roll.

Dear One, Dear One...

Thanks for picking that one up!

You got lucky my friend. He came to pick you up. You have no idea how lucky you are. Thank you.

You can learn a little English. There is nothing wrong with that.

I've got you. I love you guys.... You look beautiful.

You are not guilty, you have done nothing wrong.

Thank you each and everyone.

You thought you were just picking berries together. You are very funny. Nothing you do is accidental. You think you are picking berries when you were actually saving the world. You look beautiful.

It is just a story

You look so beautiful. So beautiful! Thank you, thank you.

Look, there is Lylian's new I-Pod. It is all love. It is all about love. I love you so much!

When you remember love you are already home. Do you hear?

When you let love in, there is nothing left to do. You've done all there is to do. What have you done? You have let love in. I love you. Thank you.

That is a bravo performance. This song is how you love me. It is my calling card. You you look me up out in the universe, this is how you find me.

Father, father...

Mi mind is all powerful!

Father... I will to remember who I am!

I've got you. I've got you. You are coming with me. You know you are coming with me. It is too late for you. I love you.

This is the end of suffering. What are you calling it? "*The birth place of dreams*"?

You are at the Birth Place of Dreams. Good for you.

Whatever decisions that you make now, make it with Him. Let God decide.

Suffering is over because you let God decide. Your sickness is over because you let God decide. Death is over because you let God decide.

Thank you for finding me. I love you so much! Be humble my friend. Be humble before God. Be on your knees before God.

Father, Father..... I've got you.

Everyone is here. You've made it! Right here with me. You forgave one another.

Forgiveness offers everything you want.

Good work. Everyone is right here.

The end of hell is here. You made it. You made it. You are in light. You made it. What are you worrying about?

Raphael...

He will be here in a minute. He has an advent in Valencia, unless you decide the Advent isn't necessary. If you decide the Advent isn't necessary, then Raphael is here. What do you think?

I am the only one here. It is a perfect plan! Thank you Father, It is a perfect plan.

It is happening naturally, thanks to you. Thank you. I mean that all together. Thank you. Because of you! I love you so much!

You all look so beautiful, I can barely stand it!

Do you mean it? Gabriela, do you mean it? Well let this be the way out. Don't look for another way. Let this be the way.

This is the way. Because I say so! My will is done, because my will is not apart from God's.

Guys: All of you gathered at the Birth Place; listen to me... Your will is done because your will is not separated from God's.

You awaken when you say so. As far as God is concerned, you are already awake. You are the only one that thinks that you are sleep. THAT'S WHY YOU HAVE BEEN A LIER FROM THE BEGINNING!

You think you are sleep, but you are actually awake. Keep it simple and be free. Stop denying the inevitable.

I love you and I am really glad that you are here with me.

Yeah. It is that simple. I am afraid it is that simple. Thank you guys!

Do you want to know what is out there? Who wants to know what is out there.

At this frequency, when you say it, you had better mean it.

Minds are joined. Say to me: minds are joined.

Thank you, thank you. I need your help with this.

We are converting this idea together. What idea? The human history!

Father, here we are gathered in Your name.

This is called, raising your bottom, or bringing illusions to truth.

Father, show me who I am. Father, You show me who I am.

Jesus wants to say thank you.

Show me humility. Show me how to be humble.

The truth will correct all errors in my mind.

That is how you transcend lack. Listen: "I want to give everything to everyone".

Thank you, now you are starting to see it. Give everything to everyone. Make no distinctions.

This is where everyone is given an assignment.

Father, we are here in Your name.

Thank you for helping me with this.

If anyone wants to navigate for a moment, they are welcome to.

Is it ok that there is only one of us here? Is that ok? It is going to be true whether its ok or not, but it feels better when it is ok.

Be careful what you ask for.... The answer is always yes.

I can look at each of you individually if you like. If you need something, ask for it.

You are not ready to look at me directly, so I have to see you out of the corner of my eye, for If I look right at you, you do one of two things: you ether turn away because you are afraid, or you try to present yourself to me as if you had any value.

Neither one of those, is what I am looking for. When I turn to look at you, you are looking at yourself. So the question is: are you ready to look at yourself? If you are ready, then I will look at you.

I know who you are. I know you perfectly: You are a whole and perfect though in the mind of God, and in my mind. In other words, you are not guilty. Will you let me in? You are not guilty. I am responsible, not you. Are you ready to let go the controls? Are you ready to be wrong?

I am not fucking around with you anymore. I am telling you once and for all. I haven't got the time. Time is very short. I am not going to nurture you... , in other words, you will have to do the work. Stop looking at me. I can't help you. Are you ready to the work? You, are you ready to do the work? Then you will be me doing the work.

Are you hearing me, everyone? Thank you. I haven't got time to pretend that we are separated.

Don't idolize me. I have no time. It is too late for that. You can only idolize a statue.

Thank you. You only idolize an idea that has become concrete in your mind. Which is what a body is; a statue! What is the body, but a statue!

I love you guys.

You asked me to look at you, are you grateful? Are you grateful to be exposed?

Say to me: I am liar. Everything I say is not true. That is called salvation. Including that, including what you just said, but you can't hear that. When you hear that, you are not here. You can't even tell the truth about being a liar....Oh forget it!

I love you guys. I am not here. Why would you want to be here?

To be wrong and being a liar is what being alive is! It is called a lucid dreaming. That's what

you are looking for!

Brother: "I need help to go all the way to heaven"

Good. Now I can help you. The help is here, all around you. That is what this provision is.

Now you want to start by being fucking grateful! This is a good time to be grateful. You have been given everything in a form that you can accept. Please feel grateful.

You are coming true.... "Let truth correct all errors in my mind." That is what you just taught and you made a good work: "I am a liar but the truth is with me." "I will step back and let Him lead the way."

This is fertile ground for thoughts. It is a good time to put in your requests.

Allow these adjustments to be made.

Remember you are setting the terms now, about where this dream is going to proceed. The easiest way is to allow God set the terms.

Father, let your will be done. Your will, not mine!
