

Your function in the healing of the primary dream

December 14th, 2009

(Music playing...)

Very nice. I like this piece. I don't mind the Eastern as long as it has a little Western influence, otherwise it tends to be too etheric. Turn it up a little bit. Listen, this is John McLaughlin in the zone. It's a working piece of music – its working. It stirs things up. It brings things to the surface.

It's kind of like this intensive – its working. It brings things to the surface. All the hidden hatreds. All of the hidden judgments – it brings them to the surface. There's nowhere to hide. There are no private thoughts – you are completely exposed. That will ultimately make you very happy because that is what freedom is. Freedom is, there are no private thoughts. (to a brother) You look really young – you've dropped a lot of years. I'm glad you're here. You must have let go of some private thoughts. That's how you get younger.

Hey guys, minds are joined. Are you OK with that? Minds are joined. There's nothing you can do about it. Minds are joined. You can either join in the fun or protect yourself. Minds are joined therefore there's nothing to judge – judgment is impossible. Enjoy the fun. There's always only one thing going on anyway. What is it? Let's call it communication. That's a good word to use. Love. Light. Strings of energy. I'm not a body, I'm a field of energy and I'm joining with you. I'm sharing my field of energy with you. Now, you will either accept or reject that, but if you reject it, you will struggle because it's impossible to be separate. It's that simple.

I love you guys. It's not difficult. Sometimes you just want to crawl under a rock and hide. That's getting really difficult for you. There's too much Light. The dream is over. You understand that there is no world. The world is an illusion. That's where the enjoyment is. In other words, there is only Heaven, the natural state. So your Earth is being translated into Heaven, because the Light has come. Good – it's happening. It's happening because its time – there not a whole lot you can do about it. Thanks guys.

What are you afraid of? You are afraid of joining the party. There's a party going and you're like a wallflower. You're sitting against the wall and hoping no-one comes and asks you to dance. If I just pretend to be invisible, no one will approach me. Sorry. I'm about to ask you to dance. Here I come – are you ready? I'm walking right up to you. Let's dance! You think this dance will be the death of you. You think you're dancing with the Yama man. This is how you come to Light.

Thank you. I love you guys. You know I accept whatever you are offering. It's all the same to me. I'm just happy you're here. I'll take whatever you're bringing. I'll buy it. Whatever you're selling, I'll buy it. But here's the thing, whatever it is, I want all of it – your entire supply. I want to free you from your burden – you've been carrying those cheap Chinese toys a very long time...

I'm just trying to free your mind. You know you're a creator, right? You've just been making some cheap Chinese toys. I'm trying to free your mind. We used to call them sweatshops. You've been working in a sweatshop. Are you ready to manifest the Dawn Horse. This is your opportunity to manifest. Come on, you can do it at least as well as Adi Da. Your mind is just as powerful. There's no one out there. Guys, there's no one out there who is more powerful than you are. Your mind is all-powerful.

Now, the only way you can access that power is by not being opposed. You're not in opposition to anything and therefore you are all-powerful. There's plenty of room in the Kingdom of Heaven for all of us. There's no opposition. Can you hear me? You are a creator and you are creating right now. I'm not opposed to your creation. I'm just trying to demonstrate that you can do better than that. There's more. You can do better than cheap Chinese toys. But you need a space left vacant for you to exercise that power.

Now if you allow me, you can use my mind. My mind is that space left vacant. That's all I'm offering you. I'm not in anyway opposed to your creations – you are a saint. You're whole. Exactly the same as Adi Da. Exactly as holy as Jesus. Exactly as holy as God. Exactly. Now what are you afraid of? That power. You are afraid of accepting responsibility. That's what fear is. Say to me, fear is avoidance of responsibility. That's all it is. Don't pretend it's justified. Don't pretend it's something other than that.

If you are afraid, it's just because you refuse to be responsible. I'm afraid of healing. That's because you refuse to be responsible for the sickness. That's all. I'm afraid of dying. No you're not. You refuse to accept responsibility for the thought of death in your mind. Yes or fucking no? Are you learning anything from me? You want to wake up or you want to stay asleep. I'm here to help you. You are a creator. You are responsible for the thoughts in your mind. Unless you are ready to be shown a broader vision, you will remain in that sweatshop – in that closet. Now you've been given sufficient evidence – you've been shown that minds are joined. Minds are joined – separation is impossible. You've been shown that – with clarity. Now, your job is to demonstrate it. Now it's going to be Jesus. I'm going to read just a little bit. Sentences from here and there. This is Jesus and me speaking to you now:

*I have assured you that the mind that decided for me is also in you and that you can let it change you just as it changed me. (You are going to have to demonstrate as I'm demonstrating)
My mind will always be like yours, because we were created as equals. (My mind will always be like yours, because we were created as equals.) It was only my DECISION that gave me all power in Heaven and earth. My only gift to you is to help you make the same decision FOR YOURSELF. (This is how your function comes in. How do you make this decision along with me?) The will for this decision is the will to SHARE it, because the decision itself IS the decision to share.*

What's the decision I made? To share. To share. We used to teach it as to give yourself away. Do as God does – give yourself away. That's why we place so much emphasis on service. Why is service so important? Service is the decision to share. To let go of private thoughts, to let go of your self-concept which is the same thing. Share. The means that you are given to share are individual. I'm not concerned with that at all. However it is given you to share is fine with me. It's the intention to share that matters. It's what we call overcoming reactivity. How do you overcome reactivity? By deciding to share. Can you hear me a little bit?

It's an active decision that you make. Active. It's consistent. It's constant. I'm going to share. I'm not going to hold back. I'm going to give myself away. I'm not going to hide. I'm not going to retain. I'm not going to react. I'm going to give. I'm going to for-give. Before anything happens, I'm going to give. I'm going to give first. If I give first, I'm not concerned with myself. It's the same thing. That's why Daryl gets it. Why does Daryl get this? Because he's giving. That's what his name means. Adi Daryl. Adi Dar

(Daryl: "I asked to be replaced"). You are now Adi Dar – he's made real for you. What is it? I'm giving. I'm giving and therefore I have no concern for myself. There's no time to be concerned for myself. This is Deeksha. What is Deeksha? It's forgiveness. It's giving. By relinquishing my self-concept. This is Jesus now. He's showing you how its done. He's saying you can do exactly as I've done. All I did was make a decision. Now you can make the decision along with me. A little bit more...

The will for this decision is the will to SHARE it, because the decision itself IS the decision to share. It is MADE BY GIVING, and is therefore the one act of mind that resembles true creation. I am your model for decision. By deciding for God, I showed you that this decision CAN be made, and that YOU can make it.

I told you, all I am is a demonstration. I'm not in anyway different. Jesus is not in anyway different. No one is anyway different. We are equal. We are equal because we are all-powerful. Because there's only One power and that power does not oppose. Listen to me, I'm going to try and teach it one last thing. Power does not oppose. Now, when you look at another apparent individual, what are you actually seeing? When I look at Tony, what am I seeing? I'm not seeing an identity. I'm not seeing a "Tony". I'm seeing a mind making decisions. It's what you are doing. It's how I can help you. Because as you tell me about the decisions you are making, I'm saying "make this decision with me". Make the same decision I make. Decide for God. That's the only decision you have to make. When you decide for God, you are deciding for all-power. Can you hear me?

I'm trying to break you free from decisions that are limiting you, that's all. I'm trying to break you, release you, liberate you from your tendency to make decisions that are limiting you. Decide for God. Make a decision. All power is given you in Heaven & Earth when you decide for God. You are deciding for everything and thereby liberating yourself from the need or the tendency to make decisions at all. There's only one decision that you can make finally, and that's to be who you are. And who you are is none other than what God is.

Come on, you are a mind making decisions. I'm sharing the vision with you. Look at me, I'm doing it right now. Everyone in this room is a mind making decisions. I'm not a body. You are a mind choosing to associate with a body and that's fine with me. I'm doing it, but I'm doing it on behalf of God. And that's my suggestion, my demonstration. If you are going to choose to associate with the body, do it on behalf of God. God will use you. This is the vision that Jesus is sharing with you. Your mind is not in any way different than mine. The only difference is perhaps, consistency. I'm consistent in my decision for God. Whenever you run into me, I'll be deciding for God as a demonstration.

Decide for God and all your problems are solved. My mind is part of God's, I am very holy. Good, good, good – we're getting there. A little bit more...

By deciding for God, I showed you that this decision CAN be made, and that YOU can make it. I

promised you that the mind that made the decision for me is also in YOU, and that you can let it change you just as it changed me. This mind is unequivocal, (and this is where consistency is required) because it hears only ONE VOICE, and answers in ONE WAY.

Did you hear it? Salvation is no compromise. Make no allowances in your mind for sickness, death, denial and you will be deciding as Jesus decided. The mind is unequivocal. Every time you are sick, make a decision again. And here's where you can use me. I'm standing at the end of time. I'm right here. I'm standing at the end of time and all I keep saying is "hey, decide once again. Come on, make another decision" Yes, we're making another decision together. Good.

Every time you make the decision with me, time collapses. Your time/space drama, karmic identity collapses for an instant, you are closer to the end of that cycle and you drop back in and you save yourself some time. So whenever you run into me, I'll be right here. I'll be at the end of time saying "hey, make another decision". I'm trying to collapse your dream identity. You're waking up. He's going to say it in a minute. We're either sleeping or waking. There's no in between. Alright? Good. Its getting easier for you to see this now because the Light has come. Listen:

This mind is unequivocal, because it hears only ONE VOICE, and answers in ONE WAY. You are the light of the world with me. Rest does not come from sleeping, but from waking. (One more time: Rest does not come from sleeping, but from waking.) The Holy Spirit is the call to awake and be glad. The world is very tired, because it IS the IDEA of weariness. Our task (listen. This is your function now) is the joyous one of waking it to the call for God.

Are you Ok with that? Why are you here? You are here to awaken the world to the call for God. You are here to demonstrate the decision you made along with me for God. The world is waiting for you to make it. *Everyone will answer the call of the Holy Spirit, or the Sonship cannot be as one. What better vocation could there be for any part of the Kingdom than to restore it to the perfect integration that can make it whole? (What better vocation could there be for any part of the Kingdom than to restore it to the perfect integration that can make it whole?) Hear only this through the Holy Spirit within you, and teach your brothers to listen as I am teaching you. When you are tempted by the wrong voice, call on me to remind you how to heal by sharing my decision and MAKING IT STRONGER.*

Guys, that's all you really need to hear from me. It's another way of saying I've already done this for you and all you have to do is call upon me and you will share my decision. I've already made the decision for you. I've already done all of this for you. all you have to do is call upon me.

I remember when I called upon the Old Man. I called upon him and all that happened is the decision that he already made became my decision. Instantly everything changed. Call upon me. Use me. Use Jesus. Use The Old Man. I don't care. Use anyone who has made this decision and it will be strengthened in you. Somewhere, when you call and your call is answered, there matures in you the impulse to demonstrate, in other words, to teach it, and that's what I'm asking you to do.

Your call has been answered. Yes? Everyone in this room. Now you are being asked to demonstrate as I demonstrate. To do as I do. To make the same decision and to teach others to

make that same decision along with me. That's called the restoration of the Sonship.

Are you OK? You are doing really well. You look great. We are in the company of saints. You recognise that as you look around. These are all minds that have accepted responsibility, which is what a saint is. What is a saint? A mind who has transcended fear by accepting responsibility. Is that you? Sure enough, that's you. It's a privilege to be in this company – truly, truly.

The paradigm of mastering the cycle has become pretty much obsolete. There's only one Master and it's you. You are the Master Teacher demonstrating. You are the masterbator! I love you guys. Are you OK? Is it too much to be a saint? It wouldn't be a bad idea to put saint before your name. I'm going to see it everywhere on Facebook. It's a great idea – just a reminder. I'm just going to read a couple more things. This is an instruction:

You CANNOT forget the Father (you cannot forget God. It's impossible that you forget God. Guys, it's impossible that you forget God. It's impossible to forget who you are. Why? Because I'm with you and if I'm with you you cannot forget, because I remembered. Can you hear me? It's impossible you forget because I remembered. You CANNOT forget the Father because I am with you and I CANNOT forget Him. To forget ME is to forget yourself and Him who created you. Our brothers ARE forgetful.

That's all. Hey, our brothers are forgetful. You look around in the world and you can see “ah shit, they're just forgetful” There's no evil, no sin, just forgetfulness. You just forgot for a moment. Our brothers are forgetful. They're killing one another? No, they're just forgetful. You want to make Light of this – death, sickness, hospitals, everything's dying. They're just forgetful. They need you to remind you. They're not sick, they're just forgetful. You're not dead you're just forgetful. I want you to go into the hospital and go around to everyone whose sick and dying and and remind them ok?

You got to love Jesus – he's got a good sense of humor. *Our brothers ARE forgetful. That is why they need your remembrance of Me and Him who created Me. Through this remembrance you can change THEIR minds about themselves.* It's an amazing thing. Why? Minds are joined. As you remember, you shine that remembrance into other minds and they remember along with you. Ok, that's your function in the healing of the primary dream. What's the primary dream? The dream of atonement. This dream we are dreaming together of the reconciliation of the Sonship.

Through this remembrance you can change THEIR minds about themselves as I can change YOURS. Your minds (now he's talking about you) are so powerful a light that you can look into theirs and enlighten them, as I can enlighten yours.

See how easy that is. You can enlighten minds. Your mind is so powerful a Light, its exactly the same as mine. You can enlighten minds – that's not the problem. That will be true whether you do it or not. The problem that you have is accepting the Truth. Why not try it on for size? Why not try it? Why not see if it works? Do it with your friend in Barcelona. See if it works. Shine your light into their mind and see what happens. Witness the results of you as the savior of the world. Witness the results. The mind is all-powerful. You can have fun with this. You can influence the world. How do you do it? You shine and witness the change. This will be fun for you. Salvation is a game that we play as we look upon illusions and laugh. You're the cause of this. You're not a victim of this world. I'm a pretty good teacher. I make what is self-evident,

self-evident. I love you guys.

I do want to share my MIND with you because we ARE of one Mind, and that Mind IS ours. (Now this is you after this weekend. Listen.) See ONLY this Mind everywhere, (Why?) because only this IS everywhere and in everything. It IS everything, because it encompasses all things within ITSELF. Blessed are you (Holy are you) who perceive only this, because you perceive only what is true. Come therefore unto me and learn of the truth in YOU.

The mind WE share IS shared by all our brothers, and as we see them truly, they WILL be healed. Let YOUR minds shine with mine upon their minds, and by our gratitude to them make THEM aware of the light in THEM. This light will shine back upon YOU and on the whole Sonship because this IS your proper gift to God. He will accept it and give it to the Sonship, because it is acceptable to Him, and therefore to His Sons.

This is the true communion of the Spirit Who sees the altar of God in everyone, and by bringing it to YOUR appreciation calls upon you to love God and His Creation. You can appreciate the Sonship only as one. This is part of the law of Creation and therefore governed all thought. It's beautiful. It lifts you right out. Can you feel that? This is part of the law of Creation and therefore governed all thought.

I love you guys.

Thank you for sharing yourself. You are making the decision to share. It's gotten a whole lot simpler for you. Good. Thank you. Thanks guys. I'm really glad you're here.

As each one elects to join with me, the song of thanks from earth to Heaven grows from tiny, scattered threads of melody to one inclusive chorus from a world redeemed from hell, and giving thanks to You.

Thank you. Phooah, you are an emerging species. You are a thought. A thought returning home.

Thank you. Thank you. Thanks guys. I'm going to turn it over to you. Do you have anything to add? Breathe and be happy, the Light has come...
